DAVID LIPSCOMB COLLEGE
NASHVILLE, TENNESSEE

TO LAY UPON YOUR HEARTS THE BURNING EXPERIENCES OF THIS YEAR'S LIVING, KINDLED BY THE SPARKS OF LAST YEAR'S MEMORIES INTO A LIGHT THAT WILL GLOW FOREVER, WE GIVE YOU A LOG BOOK OF A YEAR AT LIPSCOMB. MAY THIS RECORD OF 1940 BE THE BACK-LOG AROUND WHICH YOU WILL KINDLE YOUR FUTURE THOUGHTS OF HAPPY DAYS.

THE BACKLOG 1940

Dean Norman L. Parks

DEDICATION

The students of the class of 1940 will carry always in their memory a recollection of the inquiringly frank, yet engagingly friendly eyes that looked out from the alert face of Norman L. Parks, Dean of David Lipscomb College. Despite the duties of his office and the troubles which students bring to him daily, he has a cosmopolitan interest for campus activities and a sympathetic understanding for student viewpoints. For these reasons and for the ideals of Christian service that are embodied in his life, it is our privilege to dedicate this Backlog to Norman L. Parks.

BOARD OF DIRECTORS

To a Board of Directors who as individuals and as a group are sincere workers for the welfare of David Lipscomb College, we pay our tribute and express our gratitude. The David Lipscomb College Board of Directors have been almost entirely responsible for keeping Lipscomb above the water during the depression. They have carried even more than their burden of responsibility, and though active, prominent business men, they have given most liberally of their time and means. For this we are thankful. The passing in January 1940 of O. A. Crisman, who had served loyally with this group since 1931, was received with a deep regret and realization of the loss sustained.

PRESIDENT E. H. IJAMS

To Lipscomb Students of Nineteen Forty:

It is a privilege to greet those whose names adorn the pages of this handsome Backlog. It is a joy also to tell you that this year's student body is the happiest and most cooperative I have ever known.

This Backlog marks a history-making year. Lipscomb's total enrollment for the year exceeds all previous totals. The senior class is the largest in the history of the college. In addition, 1940 will go down in history as the year in which "chapel singing" was first heard by an international audience with enthusiastic approval.

My appreciative congratulations go to every one of you. It will be a pleasure to remember you always and to pray for you a future whose joys shall increase forever.

Sincerely, E. H. Ijams.

The seniors of 1940 can be justifiably proud of their record at Lipscomb. As freshmen they comprised the largest class in history and as seniors they culminated a year of service by presenting the college with a projector and amplifying system as their class project.

The success of the class is not due, as in many cases, to the labor of a few, but to the wholehearted endeavor and cooperative spirit of every member. The class meetings were well conducted and interest in them was always high.

It is with no fear that the seniors leave their places to the freshmen of this year. The seniors have great faith in the class of 1941 and sincerely believe in their ability to carry on.

JOE IJAMS, President; JEAN SHIELDS, Secretary; LOYD SCOBEY, Vice-President; BOBBY McKAY, Treasurer.

Maybe Lee pulled that very chain, Lottie. 11. After all, you name it.

RELIGION

RELIGION

RELIGIOUS LIFE OF LIPSCOMB STUDENTS

The religious activity at Lipscomb in which there was the greatest cooperation was the radio program of March 23.

An earnest prayer had been offered.

A green light glowed on the chapel stage, as over four hundred eyes focused on it in taut silence. Others eyed wrist watches, noting the hand hovering over the hour. The CBS banner over the central "mike" loomed big during those fleeting seconds.

One of the five Bible classes for college freshmen.

And then—the red lights!

The walls of Harding Hall had suddenly moved back; a million listeners had moved in! The pitch came floating down from the stage to the students, who sounded it with throats a little tight. And then came reassurance, as they lost themselves in those "power-filled" gospel hymns.

Such was the memorable national radio broadcast of chapel singing. Eighty-eight Columbia stations carried the voices of Lipscomb students in hymns of the crucifixion and resurrection. Hundreds of letters and telegrams, even from far-flung points as California, Texas, New Hampshire, Florida, and Canada, poured in. Friends, alumni, strangers—all told of being moved, many "to tears." One wrote:

"Words are, despite their power, pitifully weak, when used to express the emotions aroused by the singing of those power-filled gospel hymns. Suffice it to say that your 'five hundred untrained voices' had something of the sound of a mighty waterfall."

In this dramatic way Lipscomb presented to the world one way in which religion can be a vital part of educational experience.

Students leaving Lipscomb recognize religion as the most profound force of life. The emphasis given spiritual matters is evidence of its importance. In 1940, 17 Bible classes met daily; 85,000 pupil-hours of Bible were taught. Daily chapel services, daily evening dormitory devotionals, weekly services, and the annual lectures gave further emphasis to the primacy of Christianity. The local church also carried on a full program.

I. BIBLE TAUGHT DAILY

A large part of the curriculum of every student was his daily course in the Bible, with the Book itself as the text. The five sections of the college freshman class studied old Testament history, the life of Christ, and the early history and teachings of the church. The four sections of the college senior class learned to appreciate the poetry and prophecy of the scriptures through their study of them. The four high school classes were also planned to cover the entire Bible.

Sewell Hall girls meet for a period of devotion.

Zealous and God-fearing men served as instructors in all these classes. Most of them were preachers of the Word and all were men of understanding, experience, and ability. Memory of these teachers, Brethren Pittman, Pullias, Brewer, LaNier, Rainey, Nance, and Miller, will always have a warm place in the students' hearts. They not only taught the Word, but also gave examples of Christian character in their lives.

This year a special two-weeks lecture on the "Christian Home" was delivered by President Ijams. Every student had the privilege of hearing these lecturers and also a series of weekly lectures on Saturdays. Preparation for marriage, and problems of home life were discussed. The students were warned against the temptations of the modern youths. The sacredness and responsibilities of the home as brought out by Brother Ijams will continue to serve as challenges to all of us. Each one is better prepared to help raise the standards of the home.

Two other courses served as aids to the study of the Bible. Great pleasure as well as much profit was received from a study of the New Testament in the original Greek. Many difficult words and expressions of the Bible were better understood because of this structural study of the Greek. Sister Calhoun's public speaking class for those desiring to preach gave special emphasis to Bible reading and sermon delivery. The aim of the class was to help the students respond spiritually to the truths of the Bible and to translate them to others.

Under the direction of the librarian the religious division of the library showed a marked growth in 1940. Many books were purchased and others were donated by friends. Effort has been made to collect all books written by members of the church. This collection is also to be available to the public. Many reference books, religious treatises, and religious journals were provided for the students.

II. DAILY CHAPEL

Some things at Lipscomb may be forgotten, but not the daily chapel period at ten o'clock. All who attended Lipscomb attended chapel, and all were blessed by these services. It was not a mere assembly; it was a period of worship—a period for God. Nothing helped so much to instill the Christian spirit as these daily services. An atmosphere of reverence and devotion surrounded the students and teachers as they worshipped.

Singing, led by Brother Neil, prayer, and scripture reading characterized the worship period. Visitors were always welcome because of their inspiring and helpful messages. The faculty seemed to furnish the most practical lessons because of their association with the students.

The students discovered a new joy in singing, and requests for favorite songs were numerous. Once each month chapel singing was broadcast over station WLAC. But the best remembered event of the year was Columbia Broadcasting Company's presentation of it to the whole nation. "It was God's work," declared President Ijams. "Unsought, it came to us. Other institutions have great names, great fame, great plants, but God gave us the great opportunity to

Mission Study: The work

carry to the world an important lesson."

III. CHURCH

Since over ninety per cent of the students were members of the church, church services were an important part in the activities of the students' lives. These services were very convenient for the students, since one of the most lively congregations of the city worshiped on the campus. However, this congregation was not directed by the school, but was a community church. During the school year a large part of the audience was made up of students.

These carry the gospel

Besides preaching and worship on Sunday, there were Sunday School classes and mid-week prayer meeting services that the students could attend. The minister, Brother Harry Robert Fox, usually asked some of the students to make brief talks at the mid-week services. These talks provided an excellent opportunity for the boys, as approximately fifty students spoke during the year.

The church had two revival meetings during the year, one in the fall and the other in spring. Several preachers of the city delivered fine sermons during the fall meeting. Brother A. C. Pullias did the preaching during the spring meeting. Most of the students attended these meetings and were helped in their Christian living. Many students responded to the invitation.

IV. OTHER ACTIVITIES

As a result of the keen interest of the students in missionary activities, there was a group that met each Monday evening to study the mission work that was conducted both in foreign fields and in our own nation. This class worked and studied under the capable guidance of Brother W. Kieffer, a quiet and devoted Christian worker. Most of the young men who attended had a part in the program at almost every meeting.

Reports from the mission field and the study of comparative religions were very interesting. Brother Fox gave several talks on the religions of Japan. Occasionally former students and visitors brought or wrote messages about their chosen work of carrying the gospel to the different parts of the world. On Friday night a group visited one of the hospitals of the city and distributed tracts and religious articles.

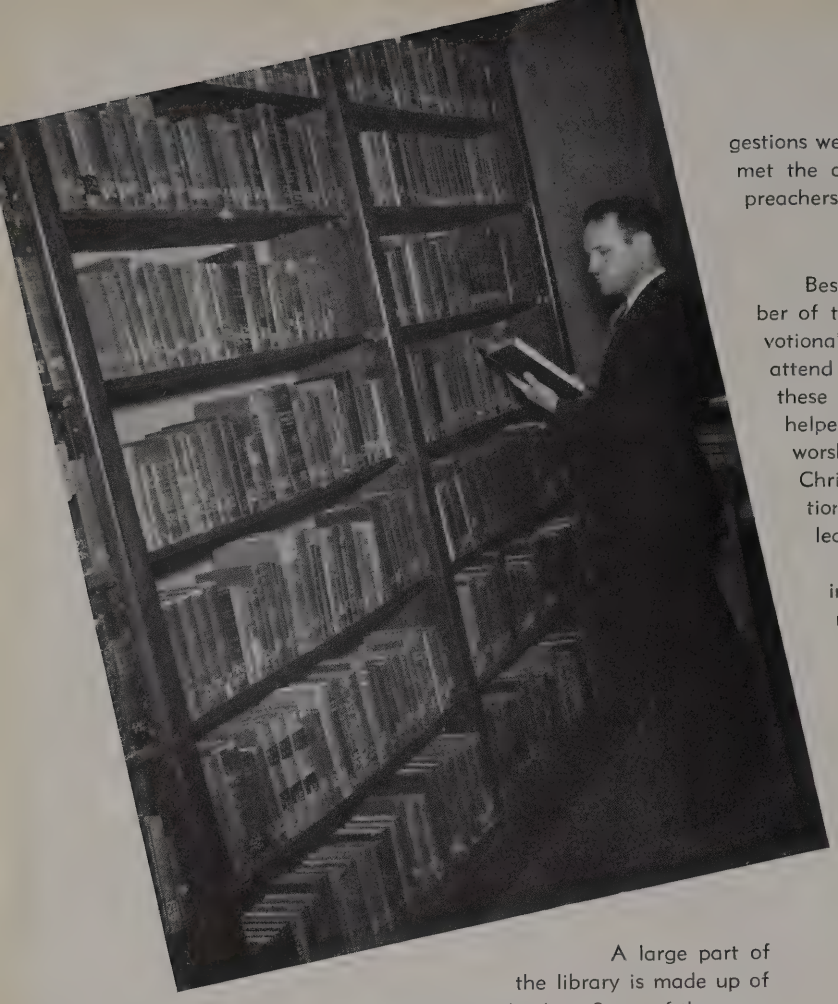

There were about forty young men who desired to preach. Some of them were able to find appointments nearby and all had the opportunity to make preparations. Under the direction of Brother S. T. LaNier, a number of these young ministers met once a week in a special class to consider the work of the minister. Much of the time was spent in preparation and discussion of sermon outlines. Other things discussed were funerals, weddings, etiquette and personality. Many problems of preaching were considered and helpful sug-

ne church at home and abroad.

Evening worship in Elam Hall

A large part of the library is made up of religious books. Some of these religious books are pictured above. They are very valuable to the students, especially to preachers.

gestions were given by members of the Bible staff who often met the class. These words of advice from experienced preachers were greatly appreciated.

V. DEVOTIONAL

Besides the classes that were directed by some member of the faculty, the students also had their own devotional periods. Although no one was required to attend this evening worship, many were present for these nightly services. These devotional gatherings helped to create a greater interest in the work and worship of the church and to develop a reverent and Christ-like spirit among the students. The association at these services as well as the inspiration and learning were valuable to all.

At 6:35 P. M. several of the boys assembled in a classroom in Elam Hall for a twenty-five minute service. In addition to the songs and prayers, a short talk was made by one of the boys. This provided excellent practice for those who had little experience in speaking in public. These services were perhaps the best practical training in church work that the students received. Occasionally visitors on the campus and invited speakers brought inspiring messages. Each week a different student had charge of the program.

At ten o'clock some of the girls met in three dormitory rooms. For about ten minutes they engaged in a brief devotion of singing, praying, and scripture reading.

VI. LECTURE SERIES

The lecture series has come to be an annual program during the winter quarter. Two weeks were set aside for Christian education during 1940. Well-known ministers from various sections of the country came to add to the success of this year's series. Besides these speakers many others came for instruction and association. Under the efficient direction of Brother A. C. Pullias, the studies were planned along the general theme: "The Educational Work of the Church."

The principal addresses of the first week upon this subject were delivered by Brother Jessie P. Sewell. Brother Sewell has spent years in this study, and he shared his findings with his audiences. He discussed the present educational system according to purpose, arrangement, teachers, materials, activities, and supervision. He pointed out the existing weaknesses of the church program and gave many helpful suggestions. The students received many ideas which they

"If the memory of good lingers the longest,
The memory of chapel will be the strongest."

hope to put into practice and increase the efficiency of their work.

Brother A. Hugh Clark was again asked to discuss "The Problems of Young People." He began by contrasting the Christian with the world and by showing the subtlety of temptation. With power and conviction he presented the teachings of the Word concerning these modern evils of church and gave advice in meeting temptation. He impressed all by his interest in youth. Death of a relative prevented him from giving his lesson on "Worldliness in the Church."

Many ministers desiring information and training in public speaking were led in a class of this nature by Brother Charles R. Brewer. The subject was discussed from both a theoretical and practical viewpoint, with special emphasis on pronunciation and use of words. The instructor's fluency and pantomimic expressions proved an inspiration to the group.

Brother Ijams and Brother Pullias again directed a discussion on the work of the minister, especially the teaching duties. Preparation of teachers received much emphasis. Different problems of the church and its leadership were considered. This meeting was an informal gathering and each minister had the privilege to add his own suggestions.

Several gave reports of their work and suggested topics for next year's studies.

The need for studies in a religious library gave rise to a class conducted by Brother B. C. Goodpasture. His wide reading and examination of books qualified him for this useful service that he rendered. He specified many religious books and magazines as valuable aids to the study of the Scriptures and gave information about their use. The importance of continuous study was impressed upon each one.

Each evening before the main lecture everyone had the privilege to attend two classes. These classes gave opportunity for class discussion and great interest was manifested. Large groups were present at every class. The following courses were offered:

Brother Marshall Keeble (colored) again returned to the campus to relate his experiences with his people in the South. He is a powerful, yet humorous, proclaimer of the Word, and the effects of his work are rapidly becoming more visible. A group of colored visitors, including Brother James Childs, a young minister who worked for the school, were present for Brother Keeble's lecture. Brother Childs received private training from both faculty and students.

After spending two years at Lipscomb, many of the boys who preach are able to find full-time work. There are usually requests for young men to assist congregations whose regular preacher is holding meetings during the summer. Many of these places are filled by Lipscomb students.

Realizing that some of the boys would find preaching to do, the Bible department undertook to help the boys prepare for this work. Brother Ijams met with them several times near the close of the year and discussed problems that the young preacher usually meets.

All these things that have been mentioned help to make Lipscomb different. They are the foundation for all

other activities on the campus. These religious principles that are taught and the activities that are carried on help to weld the hearts of the students into a unity of love and understanding. The teachings of Christ and the spirit of Christianity that are manifested in the lives of its students are the enduring results of Lipscomb's education. If Lipscomb has produced better Christians, surely its work has been a success.

LIPSCOMB PLAY LIFE 1939-1940

These men together with the athletic committee direct all play activities. Lipscomb is proud not only of the high character and sportsmanship of her players, but also of the fact that all athletics at Lipscomb are entirely free from professionalism.

Intramurals are the only activities going on in the fall quarter. Coach Boyce and his helpers have brought to Lipscomb one of the most complete intramural set-ups in the South. In the words of Red O'Donnell, "The Lipscomb set-up has everyone doing something from playing tag to bicycle riding."

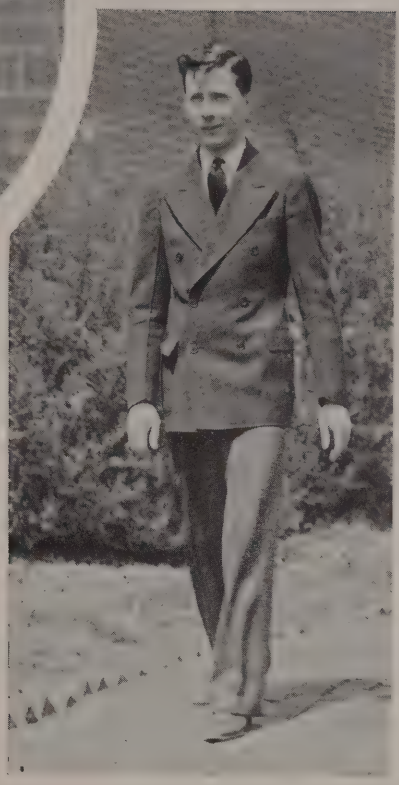

Then in the winter, "King basketball hogs the spotlight." It is then that the Bisons, Mustangs and Peppettes are the talk of the campus. This year Coach Nance performed the almost superhuman feat of handling two basketball teams. The Bisons were slow in starting but amazed even partisan observers by drubbing such teams as Vanderbilt and Cumberland. The high spot of the athletic year was the advance of the Bisons to the finals of the M. V. C. basketball tourney. The Mustangs came in for their share of the glory also.

When spring came everyone moved outside to see the baseball and tennis teams move into action. Faced with a lack of material, Coach Neil did a grand job of moulding together a baseball team. However, over on the tennis courts, Coach Nance had an entirely different outlook on the Bison net prospects. Having all of last year's runner-up team intact with an addition of a freshman who is one of the state's leading junior players, the netmen are accorded a good chance to bring the M. V. C. trophy to Lipscomb. In high school the Mustangs were rated among the better net teams in Nashville.

THE CAPTAIN

DEBERRY

A guard last year, a high scoring center this year, DeBerry proved beyond a doubt his all around ability. Hailing from Kittrell, Tennessee, Adam is among the smoothest players that ever put on a Lipscomb uniform. A capable leader; his mates found the going pretty tough with him out of the lineup as was proved in the first Lambuth game. Playing his last year for Lipscomb Adam found time to amass an amazing total of 268 points.

It wasn't unusual for DeBerry to score above 20 points in one game. He scored 21 against Freed-Hardeman and 21 in the first Vandy game. Adam set a new individual scoring record for Lipscomb by rolling up 27 points in a M.V.C. game against U. T. Juniors in Burton Gym. But at all times he was a team man, feeding the ball to other players when he himself could have easily scored. Coach Nance classes DeBerry as one of the most dependable players he has ever coached.

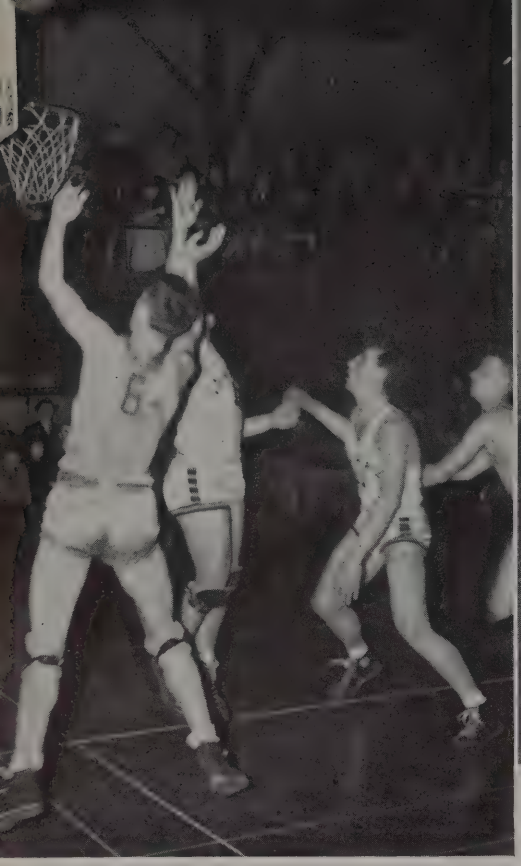

SIX YEAR MAN

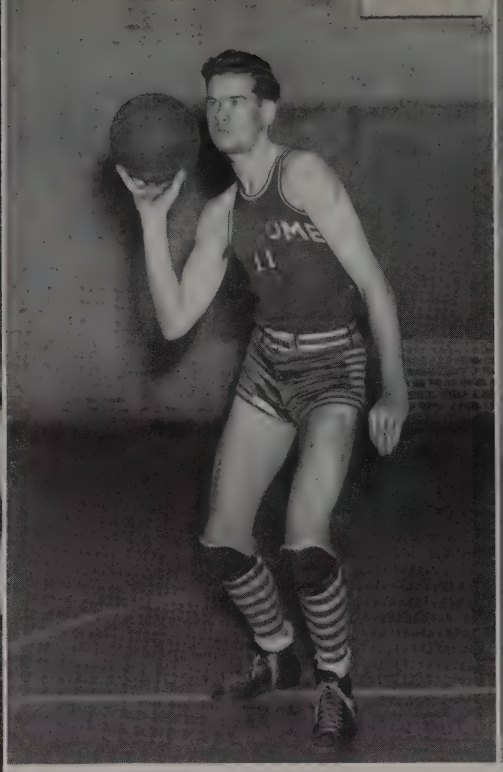

SWEATT

This tiny Bison forward playing his sixth year of Lipscomb basketball rounded out his career in a b l a z e of glory. Little Bill's 191 points this year boosted his Lipscomb total to an almost unbelievable sum of 766 points accumulated while playing as a Bison and a Mustang. Sweatt's one hand push shots and superb ball hawking spelt defeat for many teams. Bill's service as alternate captain likewise, made him a leader Lipscomb can well be proud of.

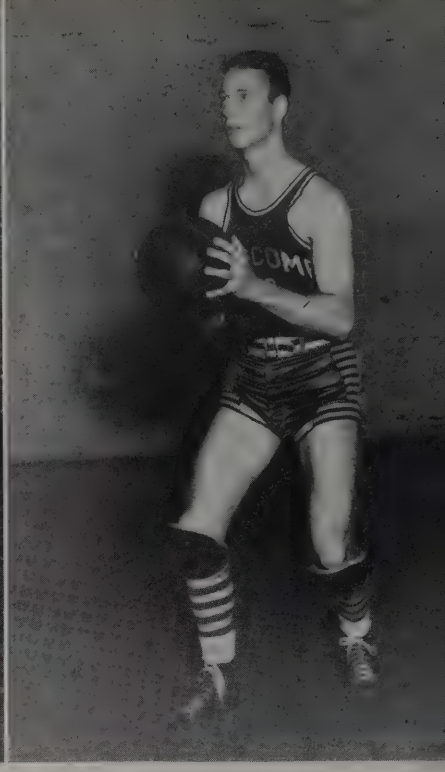

Due to his size, Bill was forced to score the hard way. He is one of the most deceptive players that has ever donned a Lipscomb uniform. How humiliated the goliath Commodores must have felt when Bill slipped free time and again for crip shots with no one near him. Sweatt could always be depended upon to put fight into the team and to spark them to victory.

THE SEASON

The 1939-40 Bison basketball team made a success of its season the hard way. Consider the difficulties that confronted Coach Nance when the flu epidemic hit school and injuries continually riddled his team. In some of the games it was doubtful as to whether he would have five men on the floor when the final whistle sounded. Despite these hardships and the fact that only two boys on the squad had ever played together before the team managed to make a great record and hold the interest of the fans to the high point attained up to the season of 1939-40. Two of the chief reasons for this were the high morals of the coach and players and their spirit.

But a glance at the scorebook shows the Bisons weren't exactly lacking in their place. Rising above what appeared to be only a mediocre season, the Bisons surprised everyone by humbling the Commodores of Vanderbilt early in January. Although the season's record of eleven victories and nine defeats was not apparently a great achievement, such games as the victories over Vandy and Cumberland served to make the fans consider it a very successful season. The trite expression "an in and out ball club" is about the best way to describe a season that included a win over Vanderbilt immediately followed by a stinging defeat at the hands of Murfreesboro Teachers.

Once again Lipscomb gained the final round of the Mississippi Valley Conference tournament. They were eliminated by Sunflower after a gallant battle which thrilled the spectators that packed the gym to capacity. Once again the Bisons baffled the opposing teams with their impregnable zone defense, and once again Coach Nance's plays were good for several points each game. Many times a purple and gold uniformed player broke loose for a crip with no one within several feet.

Outstanding among the memories of the season is the recollection of Sweatt and DeBerry passing the ball down floor on the fast break which Nance has used so successfully at Lipscomb. Adam DeBerry, who scored 62 points last year as a guard, was converted into a center and in that spot he upheld the Lipscomb tradition of a high scoring captain. He was one of the three Bisons selected on the all M.V.C. squad.

A unique feature of the Bison forward spots was one of the shortest players in the conference, alternate captain Bill Sweatt, and one of the tallest players in the M.V.C., Homer Dehoney. These two gained the applause of the fans time and again. After getting a late start due to a shoulder injury, Homer became a mainstay and his following and crip shooting thrilled many fans. His ability is amply testified by the fact that he was selected on the all M.V.C. squad.

Then there was Tom Crowe who filled in when illness struck the team and then refused to be rooted out of the first five for the simple reason he was much too valuable on the floor It wasn't DeBerry or Dehoney that received the greatest applause on being picked on the all tournament team, but "Junior," because he got his the hard way.

No one could forget the deadly accuracy of

Joe Ingram's long shots and the steadiness of Ted Hilderbrand. At first of the year Joe was apparently a good guard who couldn't score but toward the end of the season he began ripping the net cords with amazing frequency.

Among the subs, and it takes subs to make any team successful, was Phil Craig. Phil was hampered by injuries most of the season, but managed to score 47 points. The other substitutes helped to make the team a success. Chesley Smith, the favorite of the grandstands and likable Sidwell together with the tall Huber brothers, Frank and Cecil, aided in keeping up the spirit and morale of the team.

The accusation that the boys were an "in and out" bunch is not entirely unfounded. After all the important thing is not how many games the team won or lost but how they played the game. No one can accuse the Bisons of not playing their hearts out in every game and this in the end is real measurement of success in any endeavor.

LIPSCOMB RUNNER-UP IN M. V. C. TOURNEY

Lipscomb brought to Nashville its first college basketball tournament in years by playing host to the annual Mississippi Valley Conference tourney March 4-5. This meet was held in the Hillsboro High gymnasium and was afterward acclaimed the most successful tourney in M. V. C. history.

The Bisons, due to a mediocre season's record were ignored by the officials in seedings. Sunflower and Lambuth rated the one and two spots respectively. However, after the 53-37 rout of the Junior Vols in the first round the fans began to pick the herd as the team that would meet Sunflower in the finals. In the Vol defeat the Bisons jumped off to a big lead early in the second quarter and never relinquished it. Homer Dehoney, Adam DeBerry, Ted Hilderbrand, and Bill Sweatt did the offensive damage for Lipscomb; while "Junior" Crowe performed nobly in his defensive role.

On the following afternoon Lipscomb took the floor against second seeded Lambuth and proceeded to sew up the ball game in the early stages due largely to the uncanny shooting of tiny Bill Sweatt. When Sweatt had finished his assault on the goal the score read Lipscomb 48, Lambuth 22.

Just four hours later the same Lipscomb boys were battling one of the best teams in the nation for the conference title. Sunflower comparatively fresh from playing only one previous game was dumbfounded when the famous fast break had left them behind 18-15 at the half-way mark. Then Onie Steele got hot and the courageous Bisons began to show the strain of playing three games in two days. In the last quarter the Trojans pulled away to win 50-35. Adam DeBerry with 14 points bore the scoring brunt, but was ably abetted by Sweatt, Ingram and Dehoney.

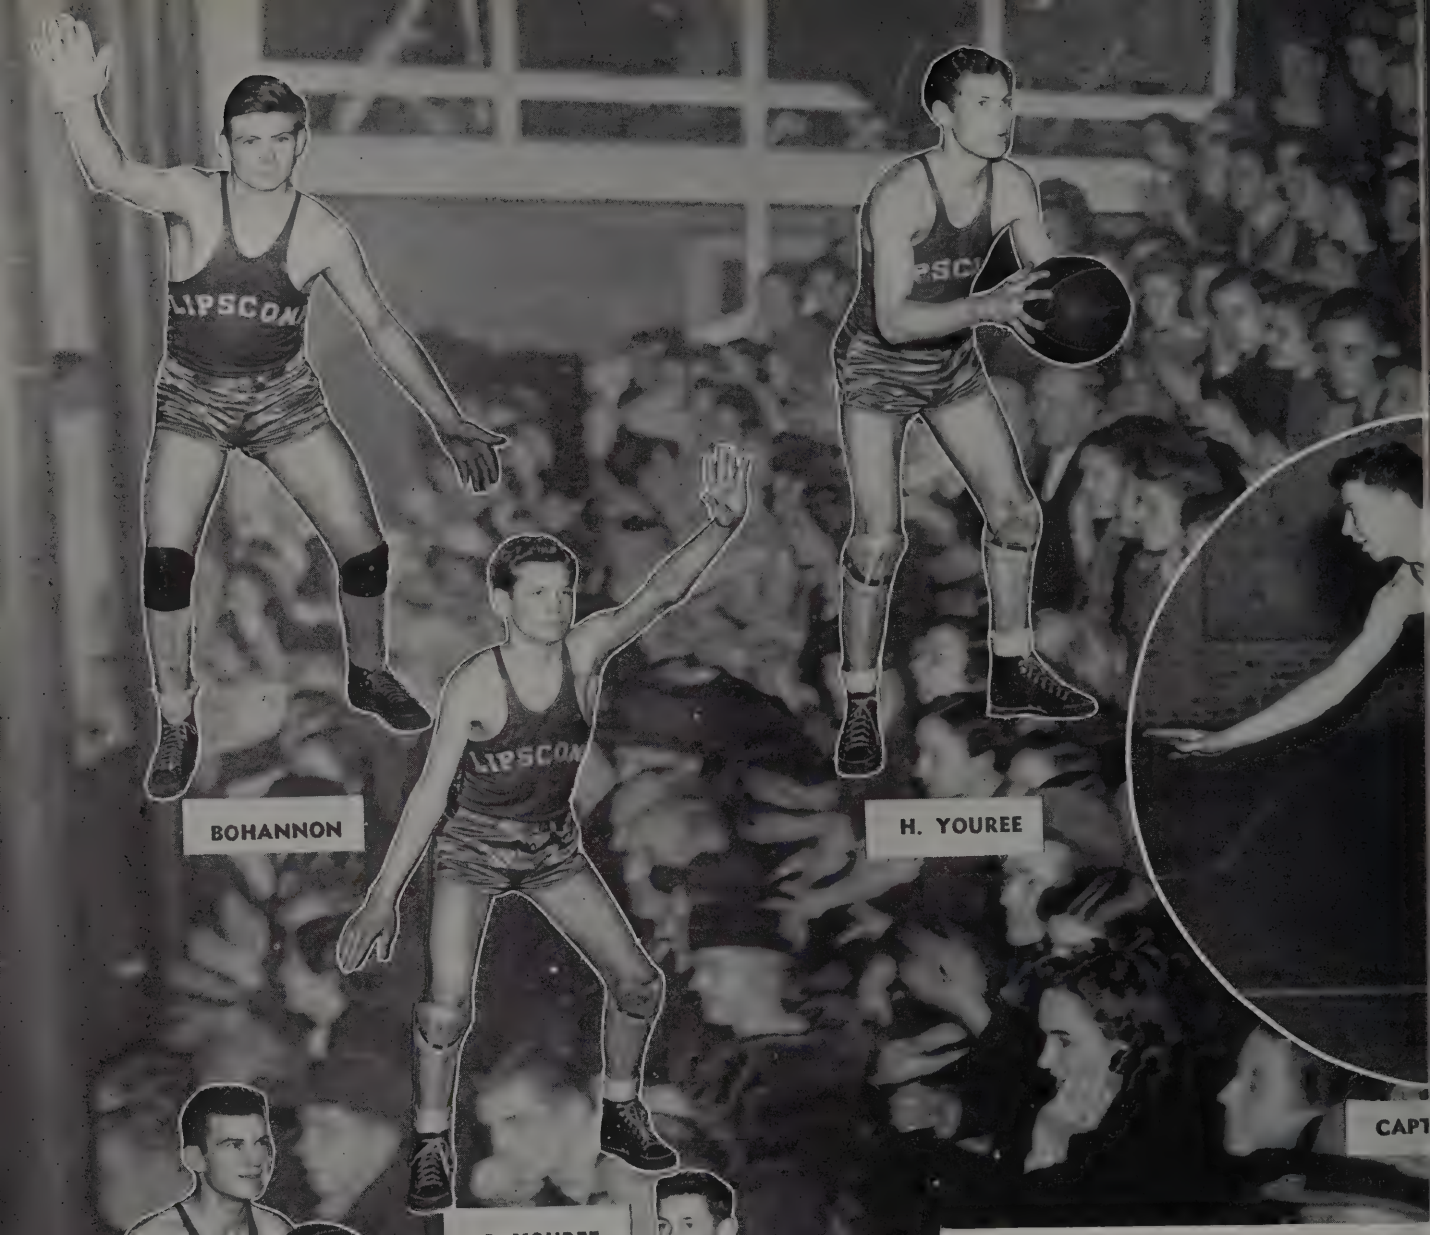

So again it was that the Bisons were almost but not quite champs. Surely, with seven men intact from this year's squad, the Bisons of 1940-41 will bring the M. V. C. basketball trophy to Lipscomb for the first time.

CLAIMANTS OF M. V. C. TITLE

"Wu" Boyce

Gordon Hawkins

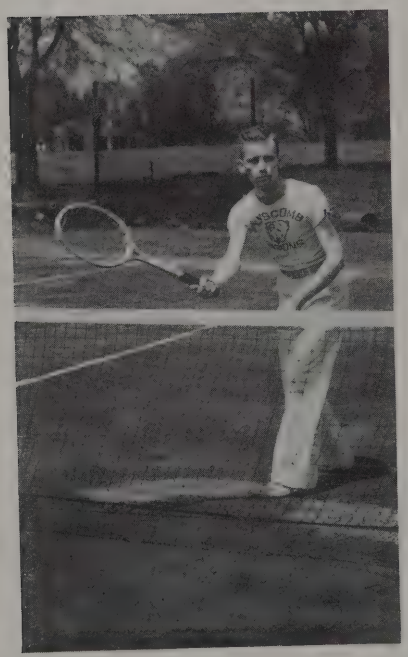

This year Tom Crowe, Junior David Cup performer, and Paul Hembree, No. 1 Mustang player last year joined three returning lettermen to form the best balanced team in Lipscomb's history. In doubles Crowe and Boyce teamed to form a very classy combination. As this goes to press Boyce and Gates are undefeated in singles.

The most thrilling match of the year was played against Lambuth on the Lambuth courts. In the deciding match of the day Hembree performed the unbelievable by coming from behind 5-2 and 40 love to win 10-8. Other winners were Crowe, Gates, and Boyce.

Some of the results are:

Lipscomb 6, Cumberland 1; Lipscomb 6, U. T. Junior Vols 0; Lipscomb 7, Martin 0; Lipscomb 6, Florence 1; Lipscomb 2, Lambuth 5; Lipscomb 4, Lambuth 3.

This year Coach Boyce, with five returning lettermen, presented one of the better high school teams of the city. The spectacular play of little David Scobey was interesting to watch. The fight and determination of George McIntosh won the admiration of many fans. Scobey and McIntosh teamed to form one of the most formidable doubles combinations in the city. As this goes to press they are favored to win Nashville Interscholastic tournament being held on the Centennial Park Courts.

Some of the results are:

Glancing at the scorebook one would describe the Bisons as a rather unimpressive team. But taking into consideration that Coach Neil was faced with only three returning lettermen and several boys who had never played on a team before, one will admit the Bisons did very well. The team had a batting average of .280 which was much higher than last year's Bison M. V. C. champs. Coach Neil's boys showed steady improvement as the season progressed.

The Bisons just couldn't get going until the latter part of the season. Losing their first eight games, Lipscomb then defeated Martin 20-4. In the next games the Bisons journeyed to Bethel for a double-header, Bethel copped the first verdict 16-3, but Lipscomb came back in the second game to win 9-6. On May 22 the Bisons again turned to the tune of 9-4. Lipscomb played a strong schedule with such teams as Western Kentucky, T. P. I., Murfreesboro, Athens, and Bethel.

Outfielders: Bumpas, Geer, Shaub.

Elam Sharp, Pitcher throws right, bats right. His chief assets were his control and curve.

Sam Little, Catches; throws and bats right. In his first year of baseball, Sam proved himself to be a capable receiver; plenty of hustle, and an excellent arm.

Joe Ingram, Pitcher; throws and bats from the right side. Joe was credited with the first win of the season for the Bison nine, winning 20-4.

Roy Shaub, Right Field; throws and bats right. Overcoming his weakness for a curve ball, Shaub's batting eye steadily improved.

Jones Bumpas, Center Field; throws right and bats right. His speed in the field kept many balls from falling for base hits.

Charles Geer, Left Field; throws right and bats left. Geer possesses a good throwing arm and is a good fielder. He seldom misses a fly ball.

Vernon Eller, Second Base; throws right and bats left. He showed ability to hit in the pinches.

Philip Craig, Third Base; throws and bats right. Craig is a great hitter as was shown by his two homers in the Bethel game.

Bill Sweatt, Shortstop; throws and bats right. Captain Bill proved to be a most inspirational leader.

Battery: Ingram, Little, Sharp.

And another T. P. I. man crosses the plate.

PARTICIPATION IN INTRAMURALS REACHES NEW HIGH IN 1939-40

Intramural athletics a comparatively new activity at Lipscomb seems to be gaining in popularity each year. More students are taking interest in some form of recreation than ever before. Practically every form of recreation is offered in the intramural set-up, with additional activities being added each year. The school year, 1939-40, showed an appreciable amount of interest in the varied types of athletics by all students. More signified their intention of participation in the activities than ever before. From the standpoint of popularity, softball, tennis, touch-football, and basketball are the leading sports. However, a great deal of interest is manifested in such sports as fencing, horseshoes, badminton, archery, volleyball, and the track meets.

SOFTBALL

The first intramural activity for the present school session was the softball tournaments held early last fall. Approximately one hundred and ten students signed up for participation in the softball leagues. Out of this group six boys and four girl's teams were selected. After several hard fought, close games, the Panthers, captained by Milton Sidwell ended up on top of the ladder. The Panthers captured six games without a single loss. In the girl's league, the Blue Jays, captained by Evelyn Todd swept through the tournament winning four and losing one game to capture first place.

TENNIS

Tennis also holds the spotlight in the list of intramural activities in the fall. Last fall fifty-four boys signed up for the tournament. After many hard fought matches, Tom Crowe, Carl Gates, Paul Boyce, and Paul Hembree reached the found of four. In the semi-final matches Crowe defeated Hembree and Boyce defeated Gates in a long match played on two separate days. Crowe then beat Boyce with surprisingly ease to become the new Lipscomb tennis champion.

The girls' tennis tournament also an annual fall event was deferred until this spring. Jean Burton defending champion and one of Nashville's outstanding Junior players will be heavily favored to retain her crown.

TOUCH-FOOTBALL

Touch-football set a new record last fall by drawing seventy-eight boys. Every game was hard fought with the winners usually winning by one touchdown and occasionally by only one point. Four games resulted in ties. Six evenly matched teams composed the league. At the conclusion of the tournament, the Bulldogs, captained by Bobby Davidson and the Commodores, captained by Sam Little, were in a tie for first place. In the playoff game, the Bulldogs were regarded as slight favorites to win, but the Commodores played flawless

ball to come out on top to the tune of 13-0.

VOLLEYBALL

Four teams composed the girl's volleyball league which began after the softball tourney. A great deal of interest was manifested at the beginning of the tournament, but interest accelerated as the tournament progressed due to the closeness of the games. The Blues led by Roberta Schrader captured the crown.

Boys' volleyball although obviously not as popular as football and softball, drew a surprisingly large number of participants. Fifty-one boys singed up for the tourney. Five teams made up the league. Bill Sweatt's Owls finally came out on top, winning four and losing no games.

BASKETBALL

Basketball is the favorite winter intramural sport at Lipscomb for both boys and girls. More than one hundred and thirty students signed up for the basketball leagues. Fifteen teams were formed from this record entry list. Eight teams composed the boys' leagues and seven teams composed the girl's leagues. The A leagues were composed of players who played basketball in high school or had some previous basketball experience. The B leagues were composed of players who had limited experience. The Maroons, captained by Jim Billy McInteer won the A league championship by defeating the Yellow Jackets in a playoff game. Other teams in the A league were Boyce's Blues and Baker's Whites. Judson Pullen's Blues captured first place honors in the B league.

SPRING-ACTIVITIES

Spring intramural activities at Lipscomb are many and varied. Included in the program for spring is the softball tournament, another tennis tournament for boys and girls with varsity players excluded from participation. A horseshoe tournament for both boys and girls is also included. As this goes to press these tournaments are now in progress.

FIELD-MEET

The highlight of the spring activities, however, is the annual tract and field meet. In Lipscomb's annual intramural track meet held May 3 from one until three o'clock and May 10 from one until five o'clock the senior boys out-ran, out-jumped, and out-threw the freshmen 75-41, while the senior girls sang a song of victory to the tune of 48-30.

In the high school division, the sophomores and juniors were combined into teams against the freshmen and seniors. The sophomore-junior boys won 83-30, and the girls whitewashed the senior-freshmen team 58-0.

Individual scoring honors for the college boys went to Tommy Mullican with a high of 31 points, beating

Bohannon heaves one away out; Morris wins 100-yard dash in photo finish; Mullican dashes to close victory over Hollins; Vigdorth and Shirley hop in for High School; Morris jumps high for seniors; Perry and Johnson get fun out of winning three-legged races.

brother Billy's high score of last year of 17 points. Mullican broke his brother's record of 26 seconds for the 220 yard dash by 3 seconds. Sharing honor with Mullican was Gordon Hawkins with 12 points. In the high jump Hawkins jumped 5' 6½", just beating Billy Mullican's record las year of 5' 6".

Scoring honors for the college girls went to Chick Morris, senior, who ran up 21 points. Morris broke her own recod of last year in the broad jump by 5 inches. Christine Douglas again won both the fifty yard dash and the hundred yard dash, requiring a second more in each than last year to run the distances. Kay Bostick beat last year's college record for the 220 yard dash by 6 seconds.

In the high school, Lawrence Bohannon contributed 23 points to help his team win, and Jean Burton scored 29 points. Burton beat her own record for the 220 yard dash of last year by 6 seconds, requiring only 28 seconds this year.

In the last event of the day, Alfred Creswell, the only freshman boy to cop a first place honor, won the college boy's mile race.

"Off to Lebanon"

The Lipscomb Pepettes are selected for several characteristics, among which are scholarship, pep, and marching ability. They have become a traditional sight at the Burton Gym basketball games. The Pepettes not only help sustain a continuous spirit and cheering, but they also provide a colorful sight in their white uniforms trimmed with the school colors of purple and gold as they marched to the music of the school band.

Their trips ot Lebanon and Murfreesboro, their part in the annual athletic banquet, and the privilege of helping to entertain the Harding Glee Club were a part of the reward which they earned by hard practice sessions held twice each week.

Mascot Douglas

These thirty-two girls, Captain Mildred Batton, mascot Jane Douglas, and the sponsors, Miss Glass and Miss Bell, worked hard to entertain fans with more than twelve drills, including a performance at the Lipscomb-sponsored M. V. C. tournament. Captain Mildred Batton worked out nearly all the entertaining and novel drills which included the formation of the "L" and the letters of several other schools.

Betty Gregory and Jean Shields served their third year as cheer leaders. Tom Hanvey, J. P. McGee, Harry Fox and George Williams were selected to assist the girls in leading the student body cheering.

The Babbler staff is composed of the workers on the college weekly who have manifested a great interest, show marked ability, and are able to direct the other members of the press club in publishing the paper. The Babblers issued during the fall quarter received First Class honor ranking in the critical service conducted by the Associated Collegiate Press. Only two other papers in the state gained an equal or superior rating.

The Press Club actively assumes the responsibility of publishing the Babbler. One of its fondest dreams came true last summer when the club purchased a linotype machine to complete its press room equipment, so that all the work for the publication can now be done on the campus. The Press Club presented a play, "Second Childhood," and sponsored a magazine subscription drive to help finance the machine. Social high spots were the annual banquet during the winter quarter, and a spring picnic.

Although failing to see some of their plans materialize, the student board can feel the satisfaction of having brought the attention of both students and faculty to possibilities of student government. This proposed government would represent the highest type of cooperation between faculty and students.

Another service the board rendered was the recording of all election dates, including qualifications and method of election, which should be of much assistance to future student boards.

Regardless of how much was, or was not accomplished, everyone appreciated the time and effort this group of student leaders earnestly used in trying to aid student activity.

RADIO STAFF

"Lipscomb Campus Echoes," the weekly radio program over WLAC, is one of the school's unusual extra-curricular activities. Andy T. Ritchie, Jr. is director and he is assisted by Mildred Caldwell, music teacher, as accompanist, John Dillingham, student announcer, and Kathryn Watson and Bob Reeves in the role of campus news reporters. The programs are built with the idea of presenting to the radio audience a cross section view of life and work on the Lipscomb campus. In keeping with this aim, many individuals and student organizations have part in producing the feature.

Music is furnished by the groups pictured here and the mens' glee club, the sextet, the quartet, the accordian quartet, and other small groups and soloists. The news reporters frequently introduce various teachers, students and visitors and conduct informal interviews with them. Senior Bobby Davidson had charge of bringing several groups from local high schools to have a part in "Lipscomb Campus Echoes" during the spring quarter of 1940.

HYMN-SINGER'S CHORUS

RADIO CHORUS

The trip which the Radio Choristers made to Searcy, Ark., where they gave a program at Harding College in conjunction with the Mens' Glee Club was indeed the high spot of the appearances of this group of mixed voices who present songs weekly on the regular "Lipscomb Campus Echoes" program.

This year, for the first time in their history the choristers have broadened their programs to include in addition to their weekly broadcasts, appearances at high schools in and around Nashville.

Continually the choristers have tried to enlarge their repertoire which included simple American songs of Stephen Foster, folksongs of Russia and Finland beside more sweet lyrical melodies such as the "Venetian Love Song." In the realm of the more majestic music came "Go, Song of Mine" and "Mountains." "Old Man River" was a distinct favorite with every audience before which the chorus sang.

Personell includes: Andy T. Ritchie, director, Mildred Caldwell, accompanist; Bass, F. M. Perry, Ralph Bryant, David Dart; Tenor, Gilbert Dimetral, Luther Self; Alto, Catherine Bills, Mary Alice Merritt, Helen Ruth Hyde; Soprano, Ardath Brown, Frances Ray, Wertie C. Stowe, Opal Gowan.

(Left) The hymn-singers group is a volunteer group of students who about twice a month gave a program of hymns on the weekly broadcast. While the choristers sings hymns also, this hymn-singers group specializes in them and sings nothing else. No tryouts were held for this group, but anyone who wished had the privilege of singing with them under the direction of Andy T. Ritchie, Jr.

BAND

Left to right: Womack, McBride, Douglas, Ware, Huff, Whitlock, London, Boyd; Second row: Zenor, Hollins, Ray, Ross.

The band was organized early in the fall under the direction of Brantley Boyd, former Lipscomb student. It was composed of both high school and college students.

As a reward for their hard work and hours of practice, the band was given a trip to Murfreesboro with the team and the Pep Squad.

Much of the spirit of the basketball games may be attributed to the efforts of the band

With the presentation in May of its annual spring concert at Harding Hall, the Men's Glee Club brought to a close one of the most successful years in its history. It was composed of twenty-nine members from both high school and college departments. Concerts were presented throughout middle and western Tennessee, southern Kentucky, northern Alabama, and parts of Arkansas.

The Glee Club, one of the most active organizations on the campus, practiced in the early morning and late afternoon to master the works of the immortals.

To Robert G. Neil, director; Juanita Totty and Mildred Caldwell, accompanists; Andy T. Ritchie, soloist; Leonidas T. Holland, pianist; Charles R. Brewer, reader; and Jim Lester, accordianist; the Club extends their sincere thanks for the invaluable services they rendered.

DEBATE CLUB

Allen, Arms, Baxley, Denny, Dimetral, Herndon, Kastelberg, Smith.

Organized for the purpose of developing thinking on the floor, the debate club has met Cumberland University, Union University, Freed-Hardeman College and others. The question debated was "Resolved that the United States should maintain a policy of isolation both economic and military toward all nations that are engaged in armed combat outside the Western Hemisphere."

The high light of the debate activities was the tournament held by Union University held at Jackson, Tennessee.

Since most of the team were Freshmen, plans are laid for development of an unusually strong team in the coming year.

First row: Kastelberg, Hawks, Dillingham, Slayton, Largen, Reeves, Naugher, Garrett; second row: Tallmon, Bills, Perry, Griswold, Steltenkamp, Esslinger, Shacklett, McCord, Sinclair, Swaringen, Parks.

Purpose: To interest the students in world problems and international affairs. This year the International Relations Club has been most vitally interested in the European war and its effect on the United States as well as the countries abroad. Dean Parks, the faculty sponsor, led many of the discussions, though the various students presented talks which were followed by a round table discussion. The club met bi-monthly during the fall and winter quarters and weekly during the last quarter.

For the first time a Constitution for the club was drawn up along the lines of the I. R. C. constitutions in other colleges. Through the Carnegie Endowment for International Peace, a number of books were presented to the college library for the public's use.

The Dramatic Club had as its year's work the study of the stage, the production and the direction of plays. The club benefits the student by providing an outlet for creative instincts. It is of value in personality development. During the year the club presented "Ann of Green Gables," a three act comedy. Also several one-act plays and readings were given on several public programs. At Christmas time a special program of two one-act plays was given.

To cultivate a pleasing personality, live up to Lipscomb ideals and have fun.

The ideals of the Delta Delta Delta Club are to cultivate a Christian character in each member and at the same time have enjoyable associations with each other. The Club, composed of fifteen members and the sponsor, Miss Josephine Carlton, met bi-monthly in the room of a member. At these meetings two girls served as hostesses to the other members. A dinner at the Brass Rail in the winter and a picnic in the spring were part of the fun.

Promote a spirit of friendliness, helpfulness and goodwill toward others.

H. M. H.

One night in the fall of 1939 thirteen girls decided that no one should spend a lonesome hour on David Lipscomb's campus. Two Friday nights of each month under each of these girls' doors a dainty little invitation announced that the time "to eat drink and be merry" had come again. In this way the H. M. H. has become a factor in molding a useful and enjoyable life for each of its members.

K. P. G.

Maintain a friendly attitude among students of Lipscomb and carry on social activities with school laws.

One Friday night at 10 o'clock thirteen Sewellites gathered in a single room listened as Opal Gowen faced them saying, "Always uphold Lipscomb ideals." Thus the president of the Kappa Phi Gamma stated to her newly initiated Kappa Phi Gammas just what they were to do to enjoy companionship and happiness to be had as a member of the K. P. G.

L. L. G.

To promote furtherance of hearts that love; minds that think; and hands that work.

And what is more joy than to get together for a half an hour of fun, food and friendship? That's what prompted fifteen Sewellites to come together in the L. L. G. in the fall of 1939. That is why fourteen other girls have come to really enjoy dormitory life at David Lipscomb in the year '39-40.

M. A. G.

The M. A. G. Club was organized in the fall of 1938. Although the M. A. G. is only a new club it made a great deal of progress this year and came into prominence on stunt night when the club won the loving cup in their unique and amusing presentation of the seven stages of woman. The club meetings and socials have been a source of many pleasant hours to its members. The aim of the club is the promotion of Christian womanhood.

S. T. S.

Uphold and encourage the highest standards of young womanhood.

Moulding its members into true daughters of Lipscomb, by the highest standards of young womanhood, is the purpose for which the S. T. S. Club exists. Through bi-monthly meetings and projects toward which all the members work, a feeling of real sisterhood is created. Off-the-campus gatherings included a dinner up town, and a sundown supper.

T. N. T.

The T. N. T., Lipscomb's oldest social club, has for its aims the development of leadership, cooperation, and loyalty to the Lipscomb ideals, as well as to have a good time together. The group this year has enjoyed several dinners and theatre parties and the annual T. N. T. banquet. The club project for 1939-40 was the recovering of a suite of living room furniture in Sewell Hall.

GEORGE PEPPERDINE COLLEGE

AN ACCREDITED FOUR-YEAR COLLEGE
DEDICATED TO THE CAUSE OF HIGHER EDUCATION
UNDER CHRISTIAN LEADERSHIP

ADMINISTRATION BUILDING
Fireproof, reinforced concrete construction. Modern in design with abundance of light.

Our Great Objective . . .

In dedicating this college in September, 1937, the founder, Mr. George Pepperdine, stated the two-fold objective of the institution as follows:

1—"Adequate preparation for a life of usefulness in this competitive world."
2—"A foundation of Christian character and faith which will survive the storms of life."

Every member of the faculty in the college, every course of study in the catalog, every lecture in the classrooms, every experiment in the laboratories, every form of recreation, and competitive sport in the gymnasium and on the playground—all these have been provided with the religious and moral atmosphere facilities through which this splendid two-fold purpose can be attained.

The enthusiastic response of people generally has greatly encouraged us.

A Safe Place for Young People . . .

Christian parents who send their sons and daughters to this college entrust to us their most precious possessions. The welfare of these young people is a serious consideration with us. Each member of our faculty must be thoroughly Christian, not only in name, but in personal life, and must have a sincere desire to instill the spirit of Christ into the heart of every student. It is the purpose of this college to give young people standard academic instruction in complete college courses in the Liberal Arts, the Sciences, Business Administration, and Home Economics, without exposing the students to the subversive teachings of infidelity or materialism. We plan that their Christian faith shall be strengthened and deepened while they are in college.

Absolute essentials of life as advocated in this college are: Faith in God, strong Christian character, good Citizenship, preparation for life's work, and an urge to serve humanity.

Greetings:

TO DAVID LIPSCOMB SENIORS from LIPSCOMB exes now in ABILENE CHRISTIAN COLLEGE. We hope that many of you will enroll at ACC for the 1940-41 session, and enjoy being students in this school that we have adopted here in the Southwest. You will like ABILENE CHRISTIAN COLLEGE because of its student activities, its courses of study, and because it, like DLC, is a Christian college.
